12th - Rosalie T, 3B
12th - Ted W, 6L

Have a great weekend celebrating!

Did you know?

There are more stars in the universe than grains of sand on all the beaches on Earth. That's at least a billion trillion!

Calling future astronomers part

Have you spotted Comet Neowsie whizzing around yet?

Let us know!

How would you like to be taught by astronaut Tim Peake? Well now you can be!

Tim Peake has recorded a science masterclass on the BBC website, revealing how to survive in space and the science behind rockets! Wow! Follow the link to find out more.

LEARNING POWERS!

Sky and Layla H from 4L have created these fantastic rainforest poems at home, awesome job girls!

Plank Challenge

Test your core strength with today's Plank Challenge. How long can you hold the plank position for? [Plank challenge](#)

In school, yellow 3 bubble have been learning about rainforests. They have created these 'roarsome' rainforest animals.

Race For Life

We would love for all children to take part in the Race for Life 5km. Children can run, hop, skip or walk the 5km, this can be either all in one go or they may do 1km a day for a week - it is their choice. All children who successfully complete the 5km will receive a medal. We have set up a just-giving page for any children who would like to donate or be sponsored for taking part.
