Birthdays:

Joseph **5B**- Have a great day Joseph!

Did you know?

English explorer and naval officer Captain James Cook discovered the Great Barrier Reef on this day in 1770 the hard way -- by running aground on it. Cook's ship, The Endeavor, was stuck fast on the reef for an entire day!

Where would you like to explore?

Great Cosmic Curiosity Captain Cook!

Coronavirus update.

You maybe feeling a little bit confused with all the current news and guidelines about coronavirus (don't worry us adults feel the same too). But it is important to talk to someone about it, BBC newsround has given some great advice on what we can and can't still do. Remember these guidelines have been put in place to help keep everyone safe, they won't last forever!
