

# BANKS LANE BLOG

Monday 20<sup>th</sup> July 2020

Wow! We have made it to the final week of our school year. Well done everyone for showing such amazing resilience over the past few weeks. Your teachers have created a different style timetable for your final week to incorporate our learning powers. Remember to email your class teachers with what you have been up to

**LEARNING POWERS!**

Super resilience

## Birthdays.

Happy birthday to Bobby in 3L, we hope you have a fantastic day Bobby!

## Did you know?

51 years ago today Apollo 11 astronauts, Neil Armstrong, Buzz Aldrin and Michael Collins landed on the moon!

Armstrong was the first human to step foot on the moon's surface. You can find out more and even watch incredible footage from NASA.

[One Giant Leap For Mankind.](#)

In school, red Bubble 1 has been working hard on completing their 5k over the last few days and today lots of children earned their medal. Lots of children ran 5k in one go, fantastic effort well done!

## Zoom

Remember that your zoom chat times have changed this week. You will have the opportunity to say hello to your new teacher and say goodbye to your current teacher as a whole class.

## Quiz of the Week.

Have you been following this week's news? You may have seen the royal wedding at the weekend. Why not test your Cosmic Curiosity with this Quiz of the Week.

[Quiz of the Week](#)

## Race For Life

Wow! Well done everyone so far we have raised a massive **£274** for Cancer Research UK. Remember there is still time to complete your 5K and donate what you can to our go fund me page.

Fantastic effort everyone!
