## Joke of the Day

Why can't you trust atoms?

They make up everything!

**Year 6!**

Please keep an eye on the weekly overview. The year 6 team are setting weekly PSHE tasks that can be added to the leavers video. We want to incorporate every child and can only do this if we get things emailed in from children at home.

Happy Thursday!

Yesterday was a very hot day! We hope you managed to get some sunshine but stayed safe! It might be a good time to take part in National School Sports week activities. Just make sure you drink plenty of water and don't stay in the sun for too long.

Don't forget to meet with your teachers for Zoom chats this week. We can't wait to talk to you.

## Well-being Task

Mrs Giles has sent you a task this week.

You are going to be making a '[Tiny book of positive thoughts](#)' to help you remember lots of reasons to feel positive, even when things feel tough.

She would love to see pictures of your tiny books, so please send some photographs to your teacher so they can pass them on to Mrs Giles.

Kobe in 5B has been climbing hills, crossing rivers and climbing trees in Style Wood! He even found some baby birds! What a fantastic day!

Erin in 5L has visited New Mills with her family. She was able to feed donkeys and horses! She has also been planting herbs in the garden. Great work Erin!
