30th April

Some of you are having difficulty with the maths resources on the home learning overviews. Remember, you don't need to print it off or hand it in. Use the White Rose questions online then complete on paper, in a book or on a whiteboard. We know it can be tricky, just do what you can - there's no pressure. MyMaths is completed online - so you shouldn't need a printer for any work we set. Let us know if you having any difficulties.

Happy birthday George C! Have a great day!
