

BANKS LANE BLOG

Monday 6th July 2020

Happy Monday everyone, we hope you all have had a good weekend!

Birthdays:

Wyatt - 5B Megan - 6L

Have a super day!

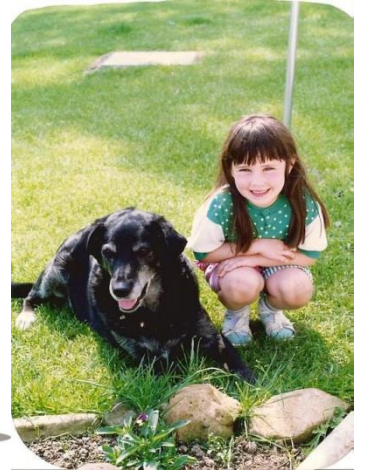

Did you know?

This month used to be called Quintilis - the Roman word for "fifth" as it was the fifth month of the Roman year. It was later changed to July by the ruler of Roman world, Julius Caesar, after his family name.

Guess who!

Did you guess right? It was Mrs Wraith
Now which teacher do you think this is?

Super Cosmic Curiosity Ava!

Ava from 3L has been investigating different magnets at home!

STEM activities.

Here are 10 activities that you can do at home to help develop your **S**cience, **T**echnology, **E**ngineering and **M**aths skills. Perhaps you could do an activity each day, let us know what you find out from doing these activities.

[10 STEM activities](#)

Baby Shark scissor challenge.

Have a go at this baby shark scissor challenge. Time yourself, how many can you do in 10 seconds? Can you improve your score? Email us and let us know how you do.

Race For Life

We would love for all children to take part in the Race for Life 5km. Children can run, hop, skip or walk the 5km, this can be either all in one go or they may do 1km a day for a week - it is their choice. All children who successfully complete the 5km will receive a medal. We have set up a just-giving page for any children who would like to donate or be sponsored for taking part.
