LEARNING POWERS!

Amazing Poems

Today is the day By Noah Weeden

Today is the day that means Daddy and me can come home.

We can party all day and party all night.

Playing games safe at home YAY!

No more air raids, no more fighting.

No more hiding in the shelters.

We are safe now YAY!

We can get back to normal but not everyone is so lucky.

We can be a family again.

We can hug and love to get back to normal again YAY!

Lockdown VE day.
Lockdown is boring we are stuck in the house.
Lockdown is boring we want to go out.
But today is VE day so lockdown or not we will celebrate!
The hunting is up, the gliders flying high
The cakes are in the oven, and the pancakes are piled high.
We sit in our gardens and raise a toast to our heroes.
Though Lockdown is boring at least we are still here thanks to our heroes courage and tears.
From 2 meters apart we stand together to remember the day our victory was made, the war it was won, our soldiers came home, 75 years to the day here we stand England still strong.
Lockdown is boring we are stuck in the house, but today is VE day, so hip hip hooray CELEBRATE.

More Amazing Poems...

Hitler has surrendered.

All through the streets.
Giggles and gossip.
That Hitler has surrendered

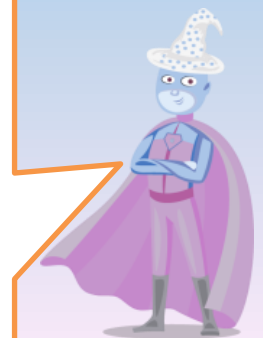

Tables filled with a feast of food and games galore
Rich and poor, happy as can be.
That Hitler has surrendered.

Music and dancing like a flow.
Beer a plenty and lots of ho ho.
As Hitler has surrendered.

The soldiers will soon be back from war.
And this day oh of fun and laughter.
Will be remembered as Victory in Europe Day.

The Beginning of The End - By Josh Ward

Happiness and joy filled the Streets
Nothing could separate us now
The world was filled with glee!
"This was our moment"

Soldiers far, far away
Wishing they could celebrate with us
But still keeping those chins high

The War has finally ended.....

The Original Banks Lane

Have a look at the image above. This was the original Banks Lane church. Banks Lane Junior School has been built on the site of the old church. This is a picture of the local community celebrating VE day in 1945.

Thank you, Matthew J for sending this in.

The war has been won,
It's now VE day.
The children are having fun,
The grown-ups are work free today.
Everybody's excited to celebrate,
There are flags across the world.
Everybody's ate,
The world has been swirled.

Hitler is long gone,
No more bomb shelters for us anymore.
It's been a long time since we've seen a bomb,
Thank god it's not those days anymore.
