

BANKS LANE BLOG

Wednesday 8th July 2020

We are all so proud of how well everyone is adapting to these strange circumstances. Please remember to keep in contact with your teacher and send updates or pictures of what you're up to at home - you may even feature on the school blog!

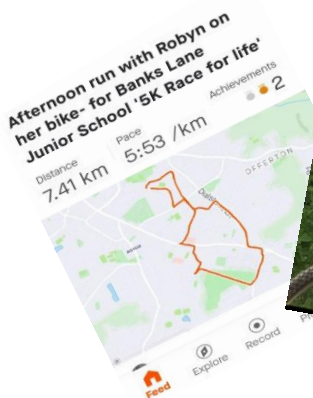

Guess the teacher.

That was tricky... did you guess? It was Miss Rimmer!

Last one now, who do you think this is? (Great pout!)

EARNING POWERS!

Fantastic effort from Robyn in year 4, she has completed her 5K Race for Life - Well done Robyn, great resilience!

Calling future astronomers

A super comet has been whizzing through the sky all over the UK and around world. The BBC has given advice on how to spot Comet Neowise in the sky during July.

It will be visible in the northern hemisphere - including in the UK- just before sunrise and after sunset.

Click the link to find out more! Let us know if you can spot the comet!

[Comet Neowise](#)

Speed bounce challenge

How was your balance? The best time so far was 1 minute 35 seconds Wow! Now test your stamina with the [speed bounce challenge](#). How many can you do in 60 seconds?

Race For Life

We would love for all children to take part in the Race for Life 5km. Children can run, hop, skip or walk the 5km, this can be either all in one go or they may do 1km a day for a week - it is their choice. All children who successfully complete the 5km will receive a medal. We have set up a just-giving page for any children who would like to donate or be sponsored for taking part.
