

Banks Lane Junior School

Year 6 Week beginning 4<sup>th</sup> May

These activities are suggested to help give you some structure to your home learning. Please feel free to mix and match or do alternative activities. There are so many online resources; these are the ones that we feel best match our school curriculum. We have suggested a maximum of 3 hours work each day. We also encourage you to use your creativity and time to choose your own learning activities, to get outdoors as often as safely possible, and to learn lots of new life skills.

In the afternoon, you can choose one of these activities or choose your own:

Science	Our science topic this term is all about Inheritance and Evolution. This second lesson will teach you about how fossils provide evidence for evolution: <u>Fossils as Evidence for Evolution</u>			
History	<u>VE Day Introduction</u> <u>BBC Class Clips (VE Day video)</u> <u>Mr T Does History VE Day Lesson</u> Friday 8 <sup>th</sup> May marks the 75 <sup>th</sup> anniversary of VE day. Research what VE Day means, what happened on the day itself, and what happened afterwards. Present your research however creatively you like! We know from Home Learning Tasks how brilliant you all are at this, so send us some photos of your finished pieces. Use the suggested resources linked above and your own research skills to find out more about VE Day and the links to World War Two.			
Art and DT	<u>Make bunting for a VE Day Street Party</u> Although lots of celebration events have been cancelled or postponed, you might still be organising a socially distanced party! Learn how to make bunting here.			
Spanish	Use this lesson to practise introducing yourself in Spanish: <u>Introducing Yourself in Spanish</u>			
Computing	Use this lesson to learn about databases: <u>What is a database?</u>			
Music	<u>Daily Sing Along</u> Click on the link above and choose today's day from the drop down menu for Week 7.			
P.E.	Have a go at this game at home, after watching the video: <u>Avoid the Defenders</u> <u>Video</u>			
PSHE	Do you have any older relatives, family friends or neighbours who remember the VE Day celebrations in 1945? This is the perfect time to virtually connect with someone and ask them what it was like.			

Of course, we know that lots of you are trying to do your own work from home or may have your own ideas or preferred resources (there is lots on <u>BBC Bitesize</u> for example). Lots of children might want to look at the above and make their own weekly or daily preferred timetable; we'd encourage this to develop their independence and ownership of their learning. Remember that the above is not compulsory; please don't feel bad if your children don't get through it all and we won't be checking up on them! However, if they are struggling with any aspect of the material they have been accessing online, please email your class teacher and they will get back to you asap with feedback (year6@bankslane-jun.stockport.sch.uk).
