## Easter Week 2!

Chicks, bunnies and Easter eggs are all wonderful traditions of Easter. But do you know where these traditions came from? Also, did you know, Easter doesn't really have anything to do with chocolate! Many Christians say that Easter is the most important date in the Christian calendar - they remember when Jesus died on Good Friday and rose again on Easter Sunday. See if you can find out where these Easter traditions came from!

## Easter Sudoku

Remember, no row, column or box can have the same picture more than once.

## Joke(s) of the Day

**How many Easter eggs can you put in an empty basket?**

Just one, because then it isn't empty anymore.

I have the world's largest collection of seashells. You may have seen it, I keep it scattered on beaches all over.

Riddle:

In a yellow bungalow, everything is yellow. The windows are yellow, the walls are yellow, the floors and ceilings are yellow, and the furniture is yellow. What colour are the stairs?

**LEARNING POWERS!**

The LP Crew were hanging out with the Easter bunny when...

Hey Bunny, are you ok?

Yeah, why?

It looks like you're having a bad 'hare' day!
