

Name and role: Mrs Graham – Chair of Governors

## Type of Governor

I am a co-opted governor. A co-opted governor is a person appointed by the governing board and who, in the opinion of the governing board, has the skills required to contribute effectively. Governors come from all walks of life, not just education. This gives every governor a unique perspective and skillset which is really useful for school. All governors are volunteers, who give enormous amounts of our time ensuring you are receiving the highest quality education in an excellent school.

## What I do at school

As chair of the governing board I do lots of things to make sure you get the best education. I have regular meetings where I get updates from the Headteacher, check that policies are correct and useful and ask lots of questions to make sure your school is well led. I also come into school from time to time to speak to teachers and subject leaders to make sure you are getting a good deal at school.

## What I like to do at home

At home I like to spend lots of time with my grandson Adam, we especially like playing with Lego. I also enjoy gardening and then sitting relaxing in my garden.

## Some of my favourites...

My favourite place to be is by the sea especially in Corfu or Cornwall and to watch the sunrise or the sunset.

I enjoy walking and yoga.

## Other interesting things about me

I live in Stockport. I have two sons who I am extremely proud of and who both went to BLJS several years ago.

I work full time at Francis House Children's Hospice in Didsbury.
