

## Learning Log Home Learning **CHALLENGES** (Autumn)

**Over a two week period**, you are challenged to do one or more of the activities below as part of your home learning. These activities are designed to allow you to share your creative side and learn collaboratively with your siblings and family members. Please colour in the box when your chosen activity is completed.

Area	Challenge
I enjoy <b>Reading</b>	Read a book from an author you've never read before.
I enjoy <b>Writing</b>	Write your own blog about Banks Lane Junior School.
I enjoy <b>Maths</b>	Why do you enjoy maths? Do you like adding, do you prefer times tables, or could it be that fractions are your favourite. Write down some maths questions for your teacher to complete, you may then be able to mark their work. (Make sure you have your answers worked out).
I enjoy <b>Designing/Art</b>	Design and make a healthy meal to enjoy with your family.
I enjoy <b>Science</b>	Science is all about discovering the world about you. Collect as many natural objects as you can, find out about them, and bring them in to show your class.
I enjoy <b>Geography</b>	Write a travel guide for a place you have visited during the summer holidays.
I enjoy <b>History</b>	As we now have a new monarch create a poster giving as many facts as you can about King Charles III. Imagine children 100 years from now reading your poster, what do you think they would want to know?
I enjoy <b>RE</b>	All faith groups celebrate the harvesting of food. Search for evidence of God's bounty in the fields, gardens and hedgerows and photograph these.
I enjoy <b>Spanish</b>	Research a Spanish festival of your choice: Explain where the festival takes place, what happens during the festival and why it is celebrated. Try to include photos if you can.
I enjoy <b>Computing</b>	Create an advertising poster to promote a place that you visited over the summer using Microsoft Publisher or a similar program.
I enjoy <b>PE</b>	Do a physical activity (walk, run, dance) and write about it/put a photo in your Home Learning Log.
I enjoy <b>Music</b>	Make a shaker from a plastic bottle and fill in with rice or split peas. Decorate your home-made maracas and use them to shake along with the 'Harvest Samba'.
I enjoy...	<b>What is your own Home Learning task you would like to complete?</b> Record it below...
I enjoy...	<b>What is your own Home Learning task you would like to complete?</b> Record it below...

**Learning Logs are due in by:**

31<sup>st</sup> October 2022

14<sup>th</sup> November 2022

28<sup>th</sup> November 2022

5<sup>th</sup> December 2022

19<sup>th</sup> December 2022
