

# BANKS LANE BLOG

Happy Monday!

Last week we started our Zoom chats with the classes. This was a big success and we were able to see lots of you on Wednesday, Thursday and Friday. We can't wait to see more of you all this week.

If you didn't manage to go into your group Zoom chat, you should have received a letter with all the log in information on Tuesday last week. If you can't find this or need any help, please contact your year group team via the email address at the bottom of this blog and we can help.

We are looking forward to another fun packed week and can't wait to hear what you have all been up to. Stay safe and keep smiling.

Check out this amazing rainforest picture Lucas from 4L created with his family!

Finlay from 6B has been busy golfing with his grandad at Reddish Vale golf club! This looks like great fun!

Happy Birthday to:

### **Year 6!**

Please keep an eye on the weekly overview. The year 6 team are setting weekly PSHE tasks that can be added to the leavers' video. We want to incorporate every child and can only do this if we get things emailed in from children at home.
