

Banks Lane Junior School

Communication, Collaboration, Curiosity, Resilience, Reflection

Year 6 Residential Visit

Lakeside

Our ambitious, tailored curriculum extends beyond the classroom and the requirements of the National Curriculum, enabling our learners to develop skills and character that will help them succeed in life. Communication, collaboration, curiosity, resilience and reflection form the bedrock of this curriculum, equipping future citizens to contribute positively to society.

Communication

Team work
Room Sharing
Fell walk
Group work
Water safety

Collaboration

Team work
Room sharing
Group Work
Water safety
All activities

Curiosity

Fell walk
Full range of new activities

Resilience

Self reliance
Self organisation
Room sharing
Trying new activities

Reflection

Team work
Plenary sessions
Campfire review

Residential Intent:

Our Lakeside residential is the final, best and longest of our 3 progressive residential trips. It is designed to give children the opportunity of experiencing a full range of outdoor pursuits and experiences based on the shore of Lake Windermere. Children learn to equip themselves for a variety of activities both on land and on the water and push themselves far out of their comfort zones. The majority of the activities are completely new to most of our pupils and therefore provides them a high sense of achievement and personal satisfaction and enables them to grow as individuals in preparation for High School.

Residential Implementation:

- During the week long residential children will take an active role in the following:
 - Bushcraft skills are taken to the next level from our Forest Schools experience.
 - Team Building exercises include:
 - Crate Stack
 - Assault Course
 - Raft Building
 - Nightline
 - Campfire
 - The children take part in a local fell walk and experience full 360 degree views of Windermere and the mountains beyond.
 - Children get to experience a range of water sports taught by qualified and enthusiastic instructors:
 - Pico Sailing
 - Canoeing
 - Kayaking
 - Rafting
- All the activities are designed to build children's life experiences and really focus on our core values as a school ensuring children build upon their Learning Powers independently and away from their home environment.
