

# Banks Lane Junior School

Communication, Collaboration, Curiosity, Resilience, Reflection

Tuesday 18<sup>th</sup> January 2022

Dear Parent/Carer,

As I am sure you are aware, all Year 6 children will be doing SATs from **Monday 9<sup>th</sup> May until Thursday 12<sup>th</sup> May 2022** and all of the children are working hard in school in preparation for these national assessments.

The tests in maths and English are challenging and require children to use all of their learning from their time in the juniors. In addition to this, our Year 6 children have had much of their junior school learning disrupted by school closures in the past two years.

We understand that many parents have a range of questions about these assessments and one of the most important and frequently asked questions is:

- How can I support my child in the months and weeks leading up to SATs week?

In order to help you to support your child at home leading up to SATs week, we are able to offer you the opportunity to purchase some practice question workbooks for your child to work on at home.

These books contain a wide range of realistic SATs-style practice questions for every topic, covering all the essential Maths and English skills and are ideal for reinforcing what pupils have learnt in class. In addition, answers and mark schemes for every question are included in a pull-out section at the back of the book so that you can check on your child's understanding of each topic.

There are two practice question books available - one for English and one for Maths. These books have a recommended retail price of £5.95 each. However, we are able to offer them to you for £2.50 each, which is **a total of £5.00 for the set**.

If you would like to purchase these books to support your child at home, please do so via Schoolmoney by Friday 4<sup>th</sup> February and we will send the workbooks home with your child. If you have any questions, please do not hesitate to email [year6@bankslane-jun.stockport.sch.uk](mailto:year6@bankslane-jun.stockport.sch.uk) or speak to your child's teacher.
