

Name and role:

Mrs Varela - Teaching Assistant

How I can help you

I was a teacher in Greece and I'm quite good at English and Maths, so I can really support you with those. I'm also a whizz at arts and crafts so if you need a hand, see me!

What I do at school

I'm there to help the teacher with your learning. I might be trimming, taking out small groups (sometimes big!) or listening to you read. I'm also a first-aider so I'm a dab hand with an ice pack.

Some of my favourites...

I can't resist a good mystery and my favourite author is Agatha Christie. I love listening to The Smiths too, an 80s band from Manchester!

What I like to do at home

I'm quite creative so I love cooking and making my own jewellery. You'll often find me curled up on the sofa with a good book.

Other interesting things about me

I was born in Athens, Greece, and can speak a few different languages. I really enjoy writing funny poems and I collect chocolate wrappers.
