

Mr Cawley - Teaching Assistant

How I can help you

If you haven't got any ideas for your writing, then I'm your man! Any bumps and bruises? See me. I'll even laugh at your cheesy jokes (someone has to!).

What I do at school

I'm in the classroom with you and your teacher. I listen to you read, give you a hand with maths, and look after you if you've hurt yourself or feel unwell. Don't be shy - just ask and I will help you!

What I like to do at home

Very little is the quick answer, but reading, listening to music, and lazing around on the sofa are hugely enjoyable. Can they be considered hobbies?

Some of my favourites...

I love superhero movies and Marvel ones are my favourite. I also like listening to old bands like Led Zeppelin and Pink Floyd (ask your grandparents!).

Other interesting things about me

I lived in Greece for 17 years. Why not ask me to say something in Greek? I also have a Jack Russell dog that drives me crazy!
