

Mrs Scott- Year 6 Teacher and Maths Lead

### What I do at school

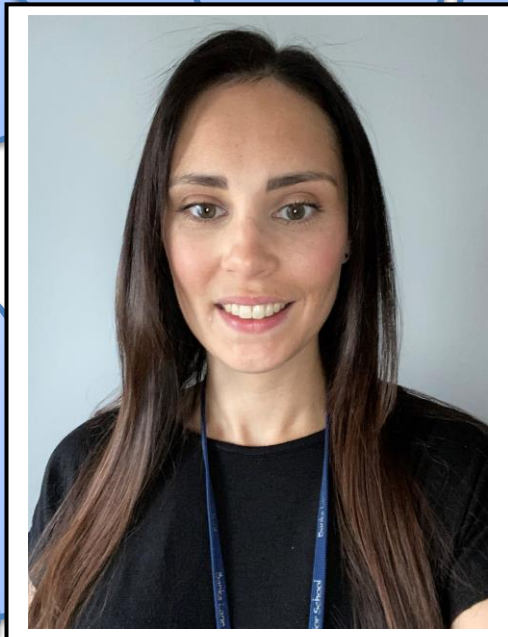

In school my main job is teaching Year 6. I share a class with Mrs Wraith; we have worked together for a few years now and we are a pretty awesome team! I am also part of our school MLT (middle leadership team) and the school Maths Lead. I am a Maths Specialist Teacher so sometimes I work with other teachers in school to develop teaching and learning; I may have taught you some maths already!

### Some of my favourites...

Chinese food, period dramas, chocolate, pyjamas, maths (!), Lakeside, singing, swimming, walking and my family!

### How I can help you

I love maths! If you have any maths related questions, I am the person to ask. Equally, if you have any worries or concerns about any part of school life, please come and speak to me and I will do everything I can to help. If I can't, I will find someone who can! We are a fantastic team here at BLJS so please don't be afraid to come and see us.

### What I like to do at home

I like spending time with my family, going for long walks exploring the countryside and collecting pine cones! I love going on holiday, going to see my family, cooking and having our friends round for games night. I love to sing and enjoy reading a good book.

### Other interesting things about me

I am from Northern Ireland but have lived in England for 14 years. I now live in Hazel Grove with my husband and our two children: Rory (4) and Isla (2). We have two cats called Tiger and Dexter. My husband was a pupil at BLJS!
