

BANKS LANE BLOG

Happy Tuesday!

Yesterday we had some fantastic Zoom calls with more children. It is so great to see your smiling faces and it is great that you can talk to your friends too!

If you need any help accessing Zoom, let your year group team know by email. (Emails below)

Joke of the Day

What do you call a Boomerang that won't come back?

A stick!

Year 6!

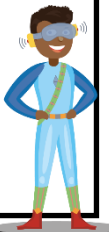

Please keep an eye on the weekly overview. The year 6 team are setting weekly PSHE tasks that can be added to the leavers video. We want to incorporate every child and can only do this if we get things emailed in from children at home.

Competition Time

We know that lots of our families would like to say thank you to others who have helped over the last few months. PinYourThanks are inviting children across the nation to enter a competition to design a pin badge to say thank you to someone who has helped them. The winning entry will be turned into a real pin badge and sold, alongside other badges designed by national treasures including Ringo Starr and Joe Lycett. Every pin badge sold raises money for NHS Charities Together and Volunteering Matters.

If your child would like to enter the competition simply [click here](#) to find out more.

LEARNING POWERS!

Seren from 4S has been busy creating this squirrel feeder and a bird feeder too! Fantastic!

Blue bubble 1 took part in a live story writing session and interviewed author Piers Torday on Friday! Keep an eye of our daily blog this week to find out more.

Did you know...?

It is National School Sports week this week! Check out tomorrow's blog to find out more and get some ideas of what you could do to get involved.
