

The Weekly Roar!

Friday 20th January 2023

384th Edition

SPORTS NEWS

This week we took teams of pupils out to the following sports competitions.

Monday - Year 6 played in a basketball tournament and came 2nd across the competition. They have now qualified for the Stockport finals.

Wednesday - Two Year 6 teams played in a dodgeball tournament. One team came 1st and the other 3rd across the competition. Again, we have qualified for the Stockport finals.

A huge BLJS well done to all participants and good luck to the team taking part in next week's football tournament.

YEAR 3 MATHS WORKSHOP

All Year 3 parents and carers are welcome to attend a maths workshop meeting on Thursday 26th Jan, 3.30pm.

There have been a number of significant changes towards curriculum guidance to reflect a significantly more challenging curriculum and to support gaps in learning as a result of the COVID pandemic.

During the meeting we will cover:

- How maths is taught in the classroom
- How your child is supported in the classroom
- How you can support your child at home

All Year 3 parents and carers are welcome and encouraged to attend. As the meeting is for adults only, in order to ensure that a large majority of you can attend, we will be providing a crèche facility in school.

We would appreciate it if you could complete a quick google form by [CLICKING HERE](#) in order for us to ensure we have enough resources available for those who wish to attend.

INTERNET SAFETY

We have been made aware that there are a number of concerns circulating about possible harmful content on Roblox. Over the course of the coming weeks we will be attaching internet and app safety advice to the Roar. Please find attached today information about the video game Roblox.

The SWGfL and the NSPCC both have checklists available for parents (including Roblox) to help them understand sites. These checklists describe the nature, safety features and other helpful information for a range of platforms. You can find them here-
