The Weekly Roar!

Friday 20th March, 2020

281st Edition

SCHOOL INFORMATION

Good afternoon, we have shortened the Roar down as we feel we have already sent out lots of information for you to digest this week.

We would like to start by thanking you for the support that has come through this week, whether it be kind wishes, telephone calls, even emails of offers to come in to help with learning packs, we are very grateful.

As you can imagine, this week has been extremely challenging. We have made up home learning packs to send home with all children today, if your child is not in school these are available for collection from the school foyer.

We are hoping to keep the school office open throughout the school closure so will be available by telephone and email should you need any assistance.

Mr Bassett is going to add a daily blog to our website and we are also going to keep up with our weekly Roar newsletter.

We will keep you updated with all further Government guidance as it comes through to us. May we wish you all our best wishes in the coming weeks.

BREAKFAST CLUB

For any families with children in school next week, our breakfast club will be a childcare provision only. We are unable to provide breakfast as we cannot purchase food due to panic buying. Please could you either send in breakfast or feed your children at home before they come to school.

USEFUL WEBSITES

If you need the links to any of the useful websites usually listed on our Roar, please visit our school website and search any of our previous newsletters.
