250th Edition

INTERNET SAFETY

Thank you to the parents who attended our E-safety Information Event. Feedback included:

'Great presentation'

'Helpful to raise awareness'

'Open discussions good to bring own issues in the open'

'Useful to hear stories from other parents and how they control internet use'

'Really informative and clear information'

'Would be interested to know the curriculum regarding E-safety so could go through this at home'

In a future Roar we will ask Mr Threader to share some details about the E-safety curriculum.

A further request from parents was to give some guidance on putting parental controls on different devices. To do this on a PS4 it is:

How to restrict access to Network Features

Go to [Settings] > [Parental Controls/Family Management] > [Family Management]. You may need to enter your account password.

Select the user you want to set restrictions for, then select [Applications/Devices/Network Features] under the Parental Controls section.

Under 'Network Features' you can choose whether to allow a child family member to communicate with other players on PSN or view content created by other players.

Further information can be found at:

<https://www.playstation.com/en-gb/get-help/help-library/my-account/parental-controls/ps4-parental-controls/>

We will cover other devices in future newsletters. There are also helpful websites on the back page of the Roar.

STAFFING

We are sad to say 'goodbye' to one of our team today. Mrs Gibbon is one of our teaching assistants who also is a supervisor in our Breakfast Club and a midday assistant!

Mrs Gibbon is going to spend some time travelling and seeing the world. I am sure you will join with me in thanking her for services to our school and the support she has given to our children. We wish her all the very best!

LAKESIDE

Our Year 6's have had a fantastic time at Lakeside during this week's residential.

Please look out for photos and further updates in the Roar newsletter after the holidays.
