REMOTE LEARNING FEEDBACK

Thank you to everyone who completed the remote learning survey we sent out before half term. The vast majority of comments were incredibly positive! Thank you. As always, we will take on board all of the feedback we have received. We're delighted that so many people feel happy with the remote learning package offered - although we're hopeful that we won't need to do it again any time soon!

Here's a brief overview and a selection of parent comments:

100% of respondents felt that support was easy or very easy to access.

Only one parent felt that resources were difficult to access in Google Classroom.

94% felt that Google Meets live sessions were helpful and accessed the sessions more than once a day.

"Google classroom has been excellent and the teachers have evolved it for the better along the way."

"Since borrowing the school laptop it has been much easier to access Google classrooms I wish we had borrowed it sooner! Well done to all teachers I think you are all doing a great job in these circumstances and I appreciate how difficult it must be!"

"Really happy with everything the teachers are doing, support is given when asked for, the live lessons have really helped with the work but more importantly with mental health, it has helped with keeping in touch with peers. Extra work has been sent when asked for. Huge thank you to everyone at school for all the hard work they have put in."

"I think the school have done an amazing job providing work, marking work and keeping the children engaged. Thank you all very much."

"Great learning provided against unprecedented challenges. Well done & thank you"

"I have found this really helpful and feel like my child is not missing out on learning. Google meets means my child doesn't feel isolated and it's the best part of her learning day. Thankyou Banks Lane Juniors, you are doing a fantastic job in a very difficult situation."

We are looking forward to welcoming all children back in school on Monday 8th March.
We will send out further details next week.
