223rd Edition

LONGDENDALE

This week, our Year 6 children had a fantastic time on their school trip on the moors in Longdendale. They learnt lots about rivers including finding their source. The children also used dog biscuits to measure the flow rate! The children (and teachers) got a little wet but great fun was had by all.

MUSIC MARK

Banks Lane Junior School are now members of the Music Mark - a National organisation and Subject Association for Music Education. We have achieved this in recognition of a commitment to providing high quality music education for all children and young people. May we take this opportunity to thank all involved within the school music team for their dedication to ensure high quality music education.

POETRY WEEK

To celebrate national poetry week, we invited Matt Goodfellow into school to take assembly with the children. Matt is a poet and primary school teacher from Manchester whose work has been published worldwide.

All of the children thoroughly enjoyed Matt's high energy performance and lots of laughter could be heard across the school.

ROOFING WORKS

As you are aware we are in the process of the school roof being entirely replaced. Works are now well under way and we are hoping for completion of the junior's roof by mid-November.

Some of the children will be selected to take a tour of the roof in the next few weeks so they are able to share the progress so far with their class.

Thank you to all of the children for their sensible behaviour around the playgrounds whilst we have had scaffolding in place.

This newsletter is emailed weekly to parents/carers. Please let us know if you would like us to email it to you.
