The Weekly Roar!

Thursday 7th May, 2020

286th Edition

Hey guys, it's Thursday, you know what that means - time to clap for the NHS at 8pm.

RESIDENTIAL REFUNDS

We have now completed all of the bank transfers and are about 95% of the way through the cheque refunds.

Social distancing has certainly slowed us down in the school office as each cheque needs to be processed by three different staff members who are not able to be in the office together at the moment - we are going as fast as we possibly can. All cheques will be complete and posted by the end of next week. May we thank you for your patience and the lovely emails of support we have received.

SCHOOL MONEY UPDATE

We are delighted to announce that parents now have the facility to reset your own password if you are having difficulty accessing your account.

On the parent Login Screen, you will see a new link at the bottom for "Reset Password". Once you click on this, you will be asked to confirm your contact details: In order to verify your identity, school money will send you a one time password. You will be able to choose whether you would prefer to receive this by text message or email. Once you have received your one time password you will simply need to enter this in the first box - and then set up your new password, confirming it twice in the boxes underneath.

Upon pressing the Save button, the password will be changed instantly, you will be able to use it to access your account straight away.
