STOCKPORT BOOK AWARDS

Over Summer term, the children within Year 5 have been reading a range of books that have been nominated by Stockport Council for the Stockport Children's Book Awards. They got a chance to create some beautiful artwork based on the books and they voted for their favourite book. The staff within Year 5 nominated some children as our 'Readers of the Year.' The children were invited to an award ceremony at Stockport Town Hall but there could only be one overall winner. This was Alexavier. He won the prize as Banks Lane Junior School Reader of the Year. He was described as a 'book-eating boy.' We are so proud of all the children within Year 5 for their brilliant reading and our runners up for the Reader of the Year prize.

TRANSITION

In addition to your children enjoying their transition days and having a fantastic time in their new classes, we also had our parent forum focusing on transition this week. It was lovely to chat about transition between schools as well as within school and look at ways in which we can support this; both in school and at home. Attached is a document made by one of our fabulous teachers, which you may wish to use to support transition at home over the summer. Details of our next parent forum will be in the ROAR in the first half term.

ANTI-SOCIAL BEHAVIOUR AND HATE CRIMES

Last week, our Y6 children were visited by the fire service to learn about anti-social behaviour and the damaging impact that it can have on everybody in our community. They also learnt about the dangers of swimming in open water during the summer months.

This week, we were visited by Louise from the Stockport Youth Justice Service, who delivered some workshops about hate crime. Our Y6 children learnt what hate crimes are and the impact they can have on the lives of victims and perpetrators, as well as the severe consequences.

YEAR 5 BIKEABILITY

If you returned a consent form in order for your child to take part in Bikeability sessions next week we have sent you an email giving all information on session dates, clothing and equipment requirements.
