The Land Beneath Our Feet

Dear Parent/Carer,

We are very much looking forward to exploring our local area as part of our topic 'The Land Beneath Our Feet' this Spring Term. Inspired by our class book 'The Lorax' and our Geography work we would like to create our own sketch maps and consider how our landscape may have changed.

As part of our Geography topic we are planning a local study of Offerton. We will be carrying out fieldwork to observe, measure, record and present the human features of our local area.

This will take place on Monday 28th March (3B) and Tuesday 29th March (3L and 3S).

Please [CLICK HERE](#) to give permission for your child to go on the fieldtrip, there is also a section you can complete on the google form if you are able to help.

Kind regards

Mrs Windas, Mrs Wharmby and Mrs Powell
