

Banks Lane Junior School

Week beginning 27th April

These activities are suggested to help give you some structure to your home learning. Please feel free to mix and match or do alternative activities. There are so many online resources; these are the ones that we feel best match our school curriculum. We have suggested a maximum of 3 hours work each day. We also encourage you to use your creativity and time to choose your own learning activities, to get outdoors as often as safely possible, and to learn lots of new life skills.

Morning activities	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	Listen to our new class text on YouTube and then answer the questions. The Curse of the Maya	Free reading of your choice	Read the text and have a go at the Gem sheet on our website. In the afternoon, you can choose one of these activities or choose your own:

Science	<p>Life Cycles Lesson 1 and Google Form</p> <p>Our new Science topic is Life Cycles. Click the link above to see the first powerpoint and have a go at answering the questions on our new Google Form. This is like a little quiz to see what you understood and your teachers will be able to see your answers and give you feedback. If you want to try something else, have a look at these Science experiments you can do from home:</p> <p>Choose a science experiment at home</p>
Geography	<p>Marvellous Maps!</p> <p>This would have been our Year 5 Geography topic for the first half of the Summer term. We have produced a topic overview which is saved in the remote learning area of our website. Go to Year 5, Other Subjects. All the powerpoints, tasks and some maps you will need will be saved in this folder and added to each week.</p>
Art and DT	<p>Go to the remote learning area of our website. Go to Year 5, Other Subjects. Click the link for Art - Create your own Marble run! This document will explain the task with a few ideas for inspiration.</p>
Spanish	<p>Practise your Spanish</p> <p>Use these BBC Bitesize resources to help you practise your Spanish.</p>
Computing	<p>Frozen Art</p> <p>Our new Computing topic is artists! Follow Anna and Elsa using a similar coding program to Scratch! to create a variety of patterns. Use your prior knowledge of Logo to help you!</p>
Music	<p>Baked Potato Song!</p> <p>Listen to the smash hit song Baked Potato by Matt Lucas, which he wrote in support of the NHS and video yourself singing along!</p>
P.E.	<p>Go to the remote learning area of our website. Go to Year 5, Other Subjects. Click the link for this week's PE 60 Second Challenges! Practise every day and see if you can beat your personal best!</p> <p>Get your family involved too: can they beat your score?</p>
PSHE	<p>To focus on your wellbeing and mental health, if you can, video chat with a friend or family member so you can see them!</p>

Of course, we know that lots of you are trying to do your own work from home or may have your own ideas or preferred resources (there is lots on [BBC Bitesize](#) for example). Lots of children might want to look at the above and make their own weekly or daily preferred timetable; we'd encourage this to develop their independence and ownership of their learning. Remember that the above is not compulsory; please don't feel bad if your children don't get through it all and we won't be checking up on them! However, if they are struggling with any aspect of the material they have been accessing online, please email your class teacher and they will get back to you asap with feedback (year5@bankslane-jun.stockport.sch.uk).
