Day 3!

How did the paper aeroplanes go? Did you win? Look below for today's challenge!

NEW Daily Maths Lessons - LIVE!

Don't forget the daily maths lesson!

Every weekday at 10.00am

Just go to the maths page in REMOTE LEARNING and follow the link to White Rose Maths.

Year 4!

Mrs Harvey wants you to know that you can find out what happens to Hiccup in How to Train Your Dragon by listening to the audio book by Cressida Cowell on YouTube. The whole book is on there ad free!

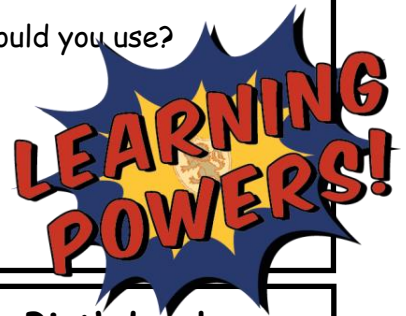

Interesting Fact

A cow/bison hybrid is called a 'beefalo!' A lion/tiger hybrid is called a liger and a tiger/lion hybrid is called a tigon!

Be creative, if you could create a new animal, what two animals (or more) would you use?

Check out what is going on in the world by watching BBC Newsround.

Joke of the Day

(A request from Will)

I have a great joke about limo...

I'm not going to tell you though - it's too long!

Communication Wizard

Says:

Remember to email your teacher on the year group email address! We'd love to hear what you're up to!

Birthdays!

Happy Birthday to Aoife W and Stanley T! We hope you have a great day even without a party!

Mr Bassett's wise thought:

If Cinderella's shoe was the perfect fit, why did it fall off?!

Today's Challenge!

Remember to email your year group e.g. year3@bankslane-jun.stockport.sch.uk if you have any questions or if you want to share what you've been up to. Alternatively, you can email admin@bankslane-jun.stockport.sch.uk

Yesterday was paper aeroplanes, today it's boats! Have you ever made an origami boat? Research the different designs, look at tutorials on YouTube and create the best one you can. Will it float? Will it hold a passenger (not a real person - perhaps use a toy!)
