## Day 4!

Did you make any paper boats yesterday? Did they float? Did they hold any weight? We'd love to see some pictures of you taking part in our daily challenges!

## Fun Fact!

This one is from Mrs Scott:

A baby hedgehog is called a hoglet - although this name has only been used since the 1990s.

## Daily PE with Joe Wicks

Don't forget to take part in the daily PE lesson with Joe Wicks.

Just find his YouTube channel at 9.00 and take part with nearly a million other people. Incredible!

Anyone can take part - even baby George gave it a go yesterday!

## Joke of the Day

What is the best thing about England?

I don't know, but the flag is a big plus!

A big plus - like the addition sign!

## Cosmic Curiosity Says:

Why not try something new today? Have you ever baked a cake or helped your parents with dinner?

## Birthdays!

Happy Birthday Harry in 5B!  
Hopefully you'll have a happy and memorable day!

## Mr Bassett's wise thought:

Stressed spelt backwards is desserts - mmmm!

## Today's Challenge!

Remember to email your year group e.g. [year3@bankslane-jun.stockport.sch.uk](mailto:year3@bankslane-jun.stockport.sch.uk)  
Alternatively, you can email [admin@bankslane-jun.stockport.sch.uk](mailto:admin@bankslane-jun.stockport.sch.uk)

Here it is - today's challenge! **Create a game.** It sounds simple, but it really isn't. What will the rules be? How many people can play? Will it be a target based game of skill - throwing/kicking objects, or will it be a game of chance using a die like a board game? You could even make your own Top Trumps style card game - use Cosmic Curiosity. It's over to you!
