Day 5!

Fancy a trip to the zoo? Chester Zoo and Edinburgh Zoo have a number of live webcams – why not join them to see the pandas being fed or the penguins swimming about? The Chester Zoo Timetable can be seen below:

Fun Fact!

This one is from Mrs Scott:

A baby hedgehog is called a hoglet – although this name has only been used since the 1990s.
Can you find out what they were called before?

LEARNING POWERS!

Fun in the Sun!

Here's a fun suggestion to try whilst the sun is shining!

Put the toys by the paper to create a shadow – then draw around the shadow!

See what toys you can use – do some toys work better than others?

Thanks to Mrs Gichero for this suggestion.

Joke of the Day

Mrs Collins went in the garden, picked some herbs and chopped them up.

She thought, "I might as well – now I've got thyme on my hands!"

Reflection Rose Says:

Well done – one week done! Let's reflect! What has been your highlight? Have you found anything tricky?

Birthdays!

Happy birthday Izzy B on Sunday! Have a wonderful day – let's hope the sun shines!

Mr Bassett's wise thought:

The difference between school and life? In school you get taught a lesson – then you have a test. In life you get a test which is supposed to teach you a lesson!

Today's Challenge!

Remember to email your year group(**year3**@bankslane-jun.stockport.sch.uk, **year4**@bankslane-jun.stockport.sch.uk, **year5**@bankslane-jun.stockport.sch.uk, **year6**@bankslane-jun.stockport.sch.uk) if you have any problems or just to let us know how you're getting on.

Did you know there is actually a national den building day? Ok, so it's not actually until June, but why not get practising? You can choose whether your den is inside or outside. Use anything you can find (or are allowed!) old sheets, blankets, cushions, cardboard. How many people can fit in your den?
