## Mr Milner's Children Enjoyed the Challenge!

Well done Fin and Evie, these toilet rolls look amazing!

**LEARNING POWERS!**

## Joke of the Day

I've just written a song about tortillas; actually, it's more of a rap.

Don't you hate it when someone answers their own questions? I do.

## Mr Bassett's wise thought:

Parallel lines have so much in common.  
It's a shame they'll never meet.

## Happy Birthday!

Happy birthday Zain B. Have a great day today!

Sun sun shining bright all day  
Umbrella, today, in you stay!  
Never fail to make me smile  
Shining bright please stay a-  
while  
How I love you in our sky  
it's wonderful of you to drop by  
Never make me say goodbye  
Everyday please stay in our sky

## Communication Wizard Says:

How many ways have you been communicating?  
Writing, drawing, creating, emailing, piccollage, even cooking to express your gratitude! It's all communication!

## Today's Challenge!

This one is inspired by Evie, Mr Milner's daughter. What can you do with a peg? Evie has made an Easter themed hatching chick - what can you make? Here's where you can use those researching skills you practised yesterday; go online.

Find a craft using a peg, find the materials - hopefully you've got them in the house - then make your peg craft!

We can't wait to see what you make!
