

Miss Power - Parent Governor

Type of Governor

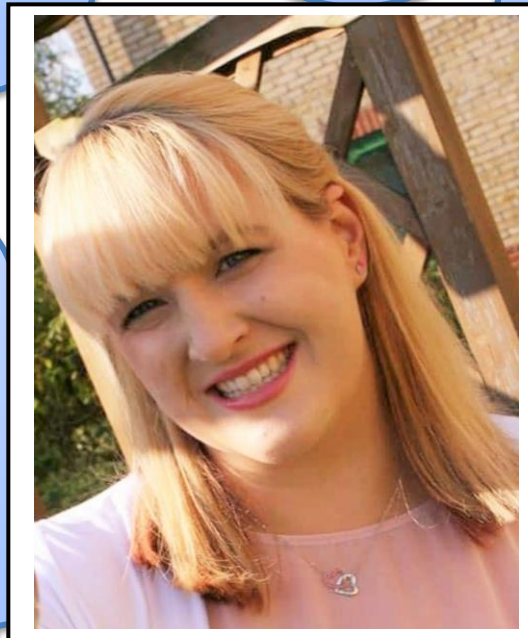

I am a parent governor. Parent governors come from all walks of life and bring a unique perspective and skillset to the governing board; this is really useful for school. As a parent governor, I have two children at school so I'm really keen to work with school to help it be the best it can be.

What I do at school

As a governor, I do lots of things to make sure you get the best education. We have regular meetings where we get updates from the Headteacher, check that policies are correct and useful and ask lots of questions to make sure your school is well led. I also come into school from time to time to speak to teachers and subject leaders to make sure you are getting a good deal at school.

Some of my favourites...

Food: Fajitas
Books: Harry Potter
Colour - Blue
Season - Winter
Sport - F1 Racing

What I like to do at home

At home I like to bake cakes with my two children and watch films as a family at the weekends. I also really enjoy reading stories with my children, we are currently reading the Harry Potter series.

Other interesting things about me

I have two children at Banks Lane Juniors. As a family we love to go on adventures. Some of our favourite places to visit include Alton Towers and Lyme Park.
