

David Bennett

### Type of Governor

I am a co-opted governor. A Co-Opted governor is a person appointed by the governing body and who, in the opinion of the governing body, has the skills required to contribute effectively. Governors come from all walks of life, not just education. This gives every governor a unique perspective and unique skillset which is really useful for school.

### What I do at school

As a governor, I do lots of things to make sure you get the best education. We have regular meetings where we get updates from the Headteacher, check that policies are correct and useful and ask lots of questions to make sure your school is well led. I also come into school from time to time to speak to teachers and subject leaders to make sure you are getting a good deal at school.

### What I like to do at home

I like to spend time with my grandchildren when they visit. I enjoy crossword puzzles and Sudoku to relax and I have taught myself to play the ukulele.

### Some of my favourites...

I enjoy cooking, I enjoy all kinds of sport particularly cricket and football (I am a Stockport County season ticket holder ). I play golf at Reddish Vale Golf Club where I have been a member for over thirty years.

### Other interesting things about me

I hold an English Cricket Board level 2 coaching children qualification and coach locally at Offerton CC.
