

Phil Thomas (Co-opted Governor
and Resources Committee)

Type of Governor

I am a co-opted governor. A Co-Opted governor is a person appointed by the governing body and who, in the opinion of the governing body, has the skills required to contribute effectively. Governors come from all walks of life, not just education. This gives every governor a unique perspective and unique skillset which is really useful for school

What I do at school

As a governor, I do lots of things to make sure you get the best education. We have regular meetings where we get updates from the Headteacher, check that policies are correct and useful and ask lots of questions to make sure your school is well led. I also come into school from time to time to speak to teachers and subject leaders to make sure you are getting a good deal at school.

What I like to do at home

Despite what my family think, I do not like DIY! Yet they still find things for me to do?! What I do like to do is watch and play sport whenever I can - but these days my body is just falling apart. As a family, we love to travel and we have had some amazing holidays which we are looking forward to getting back to.

Some of my favourites...

Team - Stockport County

Food - Curry

Pastime - anything to do with sport

Holiday destination - this is a tough one but will have to say Australia

Film - Star Wars

Other interesting things about me

I am an ex-pupil of BLJS as was my 2 children - Lexie and Maddie. We live in Little Moor.

In my prime I was signed by Stockport County, signed by Manchester United (basketball team) and represented Cheshire at cricket.
