

Mrs Battersby - Parent Governor

Type of Governor

I am a parent governor. Parent governors come from all walks of life and bring a unique perspective and skillset to the governing board; this is really useful for school. As a parent governor, I have a child at school so I'm really keen to work with school to help it be the best it can be.

What I do at school

As a governor, I do lots of things to make sure you get the best education. We have regular meetings where we get updates from the Headteacher, check that policies are correct and useful and ask lots of questions to make sure your school is well led. I also come into school from time to time to speak to teachers and subject leaders to make sure you are getting a good deal at school.

Some of my favourites...

My favourite style of food is Mexican - fajitas, enchiladas and burritos. I love being at the sea side and dipping my toes in the sea. My favourite music is anything pop.

What I like to do at home

At home I like to spend time with my children Olivia & George & Mr Battersby. We have a caravan in Conwy and visit North Wales regularly. We enjoy having pizza nights, pizza takeaway is a family favourite.

Other interesting things about me

I have recently taken up running and enjoy setting myself running challenges. I also enjoy baking in my spare time. I have lived in Offerton for many years and my 2 younger sisters were pupils at BLJS! I am also very proud to say I can water ski!
