

Mr Grinsted - Year Group Leader

How I can help you

I can help you to enjoy your final year of learning at Banks Lane and help you to make sure you are ready for moving onto high school.

What I do at school

I am one of the Y6 teachers and I am also the year group leader for Year 6, so I look out for all the children and staff in Year 6 classes.

What I like to do at home

I like to go out on lots of day trips, especially to theme parks. I also enjoy watching football on the TV and I like going running.

Some of my favourites...

Football team -
Wolverhampton Wanderers
Food - Mexican
Holiday destination - Florida
School subject - maths

Other interesting things about me

I speak French because I used to live in France.
I have got four children at home: 8-year old twin girls and two boys aged 5 and 3.
