

Mrs Senogles- Class Teacher

What I do at school

My main job in school is being a class teacher. I have worked in year 4, year 5 and year 6 over the past seven years, which has given me a great opportunity to teach many different topics. I have now worked at Banks Lane for seven years and have loved every minute of it. This year, I have been given the role of Maths Lead in the school, so I am lucky enough to see lots of fantastic maths lessons throughout the school.

Some of my favourites...

My son Freddie was born in December 2020 and is now 1! I cannot believe he will almost be 2.

I love going for long walks with my family and my dog Rory. Rory is a Bernese Mountain dog, so he is pretty big!

I love spending time with my three nieces, Lara, Anya and Isabelle and my nephew, Oliver. Anya was born the day after Freddie in December!

My favourite food is anything Italian, I love pasta with a side of garlic bread! I love eating out and trying new restaurants.

How I can help you

My most important job in school is making sure that all the children in my class and in the school are happy and enjoy coming in to school. I am always here to help! If you ever have any problems or just want to talk to someone then I will always be there to listen. Starting a new year group can always be quite daunting, but I can assure you that I will do everything that I can to help you settle in and feel at home.

What I like to do at home

I love spending time with family and friends. We love to do adventurous things like white water rafting. Last year we went coasteering and swimming with seals. We go away every year together and do some form of exciting activity that we have never done before. My family and I really enjoy long walks with our family of dogs. We own four dogs between us.

Other interesting things about me

I live with my husband Jake, my son Freddie and my dog, we have just recently moved house. I have lived in Stockport for 8 years - I used to live near Birmingham. My family still live in the midlands, so we visit regularly.
