

Mrs Harvey - Year Group Leader, English Lead

How I can help you

I love reading so if you need help finding a good book you will like, just ask! I can also help you with all your other learning as I have lots of resources to help make learning easier.

What I do at school

At school, I am the Year 4 leader so as well as teaching my class I will sometimes teach the other Year 4 classes and will also organise our residential visits. I also help Mr Milner and the other teachers improve your Banks Lane experience, especially with English and Forest School learning.

What I like to do at home

At home, I like to read books and growing my own vegetables in my garden. Our family love the outdoors so if I'm not gardening, I'm often walking across the hills near my house or having a barbeque - even in winter!

Some of my favourites...

My favourite author is Terry Pratchett as I love fantasy and science fiction books. My favourite films are the Avengers movies but I really love going to the theatre or watching musicals. My favourite musical is The Lion King as I love the singing and dancing.

Other interesting things about me

I am married with two children, Abi (15) and Daniel (13) and also live with two cats. In my spare time, I make costumes for a local dance and theatre group and help out back stage when they put on shows. I used to dance myself but now do taekwondo to keep fit. I am also bilingual in British Sign Language and English.
