

Mrs Daniels - Class Teacher

What I do at school

One of my main jobs in school is to teach in year 3, it is important to me that we try to have lots of fun whilst you're learning so you may find me singing in the classroom! Another important job is to make sure you feel safe at school, I am a great listener so if you feel worried about anything, I will always try my best to help. Other parts of my job include attending meetings and training to make sure everything we teach is up to date.

Some of my favourites...

My favourite:

- Colour - Yellow
- Animal - Horse
- Book - We're Going on a Bear hunt!
- Movie - Minions

How I can help you

If you have any worries about school or maybe you feel upset about the football score at the weekend, I am always around to listen. Also, if you have any worries with your school work or if you're finding it a little tricky, I am always willing to find new ways of teaching, as of course we all learn in different ways!

What I like to do at home

I love being outside and being with my horse Lewis. I love going on walks (or bear hunts) with my family and dog Jess discovering new places. I also love to find a cosy spot at home and read a book.

Other interesting things about me

I live in Macclesfield and I used to be a season ticket holder for Macclesfield Town FC. I am married and have a son Rory (6) and a stepdaughter Eleanor (12). We have lots of animals, 1 dog called Jess, 1 horse called Lewis and nearly 200 sheep (I won't name them all on here!).
