

Mr Ellison - Class Teacher

How I can help you

My primary role in school is to support you and your parents through a sometimes-challenging academic year. I am in charge of both your academic studies and your well-being in school. I will make sure you continue to grow educationally but will also support you in all other areas. I work closely with the other teachers and TAs to make sure your journey through my class is challenging, exciting and fun.

What I do at school

My main job is to teach the children in my class. I must plan, deliver and mark engaging lessons that allow you to move forward in your learning. I also work closely with my team and other staff in the school to make sure you have everything you need to shine.

Some of my favourites...

I love sport! I do not think there is a sport I dislike. My favourite sport to play is tennis, whilst my favourite sport to watch is football.

Travel is also one of my favourite things to do. I have been incredibly lucky to travel around the world, visiting countries such as Italy, Costa Rica and Egypt.

What I like to do at home

My real joy is spending time with my family. I have a 2-year-old son and we love to go on walks, swim and eat lots of ice cream. When I finally have time to relax, I enjoy a good film or watching the greatest football team in the world, FC BARCELONA!

Other interesting things about me

I was born in Spain and lived there until I was 11.

I speak fluent Spanish and French. I have a wife and a son called Sydney. I happen to be one of the few people that really can't stand baked beans! Yuck!
