

Miss Rimmer – Teaching Assistant

How I can help you

I can help you in lots of different ways! If you're struggling with your learning, or don't understand what you are supposed to do, then I'm here to help, just ask! If you have anything you're worried about or something's making you anxious then I'm a good listener and will do my best to support you.

What I do at school

Each day, I will help the class teacher to prepare all the resources ready for your day and support you in your learning to do your best, either in in class, small groups or sometimes just with one child. I'm a first aider, and part of the wellbeing team, so I also run small groups that can help you with other things, as well as your learning.

What I like to do at home

I really enjoy reading and my favourite author at the moment is C. J. Archer. I love having movie nights at home with my family - my favourite films are anything from the Harry Potter and Fantastic Beasts series!

Some of my favourites...

My favourite place is a campsite in a little village in Devon called Hope Cove.

Every year my family and I, and lots of friends, go to a musical festival called Bearded Theory, it's brilliant fun!

Other interesting things about me

I have 4 children who all came to Banks Lane - Dylan (20), Romy (17), Nelly (15) and Ivy (12). I also have 2 dogs, Betty and Badger, a cat, Sirius, and a fish called Cabbage!
