

How I can help you

If you are finding that learning is very tricky for you or you are having a difficult time getting through tasks in school, your teacher and I will work with you and your parents/carers to support you. I can also support you in managing your emotions and settling in at our school.

What I do at school

I form part of the SENDCO team. I support children in their learning and wellbeing. I am the point of contact for any queries parents may have regarding SEN.

What I like to do at home

I love reading and one of my favourite authors is Agatha Christie. Every Saturday night is pizza and movie night in my house - Harry Potter and Fantastic Beasts films are our favourite!

Some of my favourites...

My favourite place is a village called Robin Hood's Bay. We go there every summer and spend lots of time on the beach. I love music and go to a music festival every year with my family.
My favourite colour is purple!

Other interesting things about me

I have 4 children who all came to Banks Lane - Dylan (23), Romy (20), Nelly (18) and Ivy (16).
I also have 2 dogs called Betty and Badger, a cat called Sirius and 6 fish!
