

Chris Lloyd, Class Teacher

How I can help you

I will be able to answer questions or discuss any worries you might have. I can help you to settle into life at Banks Lane Junior School and continue your learning journey. I can also tell you a joke or two to help on a blue day.

What I do at school

My Job at Banks Lane Junior School is being a class teacher. I am very excited to meet my new class for the next school year. In addition to being a teacher I will also attend meetings and training and spend time planning exciting and engaging lessons for class to enjoy.

What I like to do at home

I thoroughly enjoy cooking for my family as often as I can, especially on Sundays. I also enjoy spending time playing golf and going on bicycle rides with my partner in the countryside. When its raining though I will be catching up on the Mandalorian series.

Some of my favourites...

Animal: Gorilla
Film: The Avengers
Colour: Purple
Book: The Great Gatsby

Other interesting things about me

I have lived in Stockport for most of my life but have also spent time living in other countries as a child. I have 2 pet snakes called Boudica and Ramses, they are both over a metre long and very friendly. My favourite food is risotto.
