

Mrs L Petrie - HLTA

### How I can help you

I like to help both children and adults in school with any problems they have and I can offer advice and support.

### What I do at school

My role as a HLTA at BLJS means I cover classes regularly when teachers are either ill or have to attend meetings. I also cover PPA time where I teach PSHE.

### Some of my favourites...

I enjoy going to my caravan most weekends to relax with my grandchildren.

I love sunny days in the garden or at the caravan and spending time with my family.

### What I like to do at home

I love to look after my grandchildren! I like to keep healthy and I enjoy weight lifting, running and eating healthily.

### Other interesting things about me

I have 2 children called Luke and Lisa and I am a Nannie to 5 grandchildren.
