

Mrs Wraith – Year Group Leader,
Writing Lead

How I can help you

I can help you with the transition from year 5 to year 6- we will make sure you are year 6 'ready'. I can help you prepare for high school - this is what year 6 is all about. I can support you with all your learning in year 6, answer any questions you may have, listen to you and hopefully ease any concerns.

What I do at school

I am a teacher within the fantastic year 6 team, which I am also lucky enough to lead. I have been a year 6 teacher for many, many years!
In addition to teaching and leading Y6, I oversee writing across school, ensuring our curriculum allows you to have many exciting writing opportunities. I also lead in grammar and spellings.

What I like to do at home

At home I spend all my time with Jack, Fleur and Mr Wraith. We go for long walks near to where we live in the High Peak. We love hosting BBQs for our friends when the weather is nice. I like to run 3 times a week. I started couch to 5K in the first lockdown and I have kept it up and I am now working towards my first half marathon!

Some of my favourites...

My two children are absolute favourites!
Jack is 11 and Fleur is 8.
I love music and dancing - there is always music on in our house. I am also a bit of a Strictly fan!
My favourite style of food is anything Mediterranean - Greek salad, roasted veg, pizza, pasta.

Other interesting things about me

I am originally from Newcastle, even though I don't sound like a Geordie! All of my family live there so I often visit in the holidays. I was once in Byker Grove, a children's TV show set in Newcastle, where Ant and Dec rose to fame!
I have 2 cats - Meg and Martha.
