

Mrs Lorna Warburton

Teaching Assistant

How I can help you

I am always happy to help where I can, if you ever have any concerns or worries I will always listen and help to resolve any issues or give guidance where I can.

What I do at school

I am currently a Year 6 Teaching Assistant.

I help support the teachers within the classroom by supporting the children's needs, assisting them with their daily lessons and reading.

Some of my favourites...

I love spending time with my husband, two children and my family/friends.

I enjoy meeting new people and love going on fun days out.

What I like to do at home

I like to spend time with my family, I also like to create and sell nappy cakes, which I also donate a percentage of the proceeds to Stepping Hill Hospital Neonatal Unit.

Other interesting things about me

I am half Welsh, however I actually don't know any Welsh.
