

Mrs Luty Teaching Assistant

How I can help you

I will help you in the classroom with your reading and any work you will need help with. I will also look after you when you are outside playing.

If you fall I'll pick you up.

If you need a plaster, I've always got one for you in my pocket.

If you need a chat... I'm always here.

What I do at school

I work in the classroom with your teacher.

I'm here to support you as well. I would like to be part of the team that helps you have a positive experience in our school.

What I like to do at home

I love pottering in my garden. I love to read a good book at night time. I also love watching my soaps on the TV.

Some of my favourites...

I love going out for meals. My favourite thing to do is spend time with my family.

Other interesting things about me

I used to love riding my motorbike. I have been all over the UK on it.
